HOW I WORK WITH MY CLIENTS

01

We sit down with our clients and discuss their expectations about the event.

02

Recurrent meetings are held and no decision is made without the validation of our clients.

03

After everything is finalized, our vendors are booked on the dates of the events and invitations are sent out.

04

Voila! Your event is curated in the most personalised and customised manner to provide maximum fun and fulfillment

TOOLS I USE

PDFs That communicate for us

Direct and continuous communication of their vision and our creativity through PDFs, Videos, etc.

Samples testing in just a click of our hands

In-house vendors that facilitate sample trials easy and convenient with us.

Your personal assistant from us

Personal point of contact from our firm who will be available to all your suggestions and criticisms at all times.

Aarohi Mehta

the staff was AMAZING! We were greeted by a cool, hip, young wedding pkanner team!

Mayank Singh

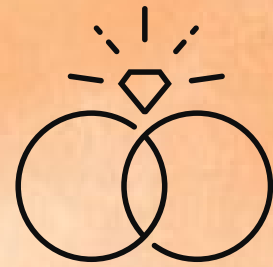

They fully captured our vision and need for functionality and gave us our dream wedding!
